Star Trek
The Motion Picture

Director Robert Wise's definitive vision eagerly anticipated by STAR TREK Fans for over two decades—is now meticulously restored and remastered in 4K Ultra HD with HDR-10 and Dolby Vision for optimal picture and Dolby Atmos for Immersive Sound. This must-have release features a bonus Blu-ray disc with hours of new and legacy special features, including extensive behind-the-scenes footage, deleted scenes, and more.

The adventure begins when an unidentified alien intruder destroys three powerful Klingon cruisers. Captain James T. Kirk boldly returns to the helm of a newly transformed U.S.S. Enterprise to take command. This bold adventure launched one of the longest running movie franchises of all time and features the cast of the original STAR TREK series, including William Shatner, Leonard Nimoy, DeForest Kelley, George Takei, Nichelle Nichols, Walter Koenig, and James Dobson.

The human adventure is just beginning.

Star Trek: The Motion Picture

Star Trek
The Wrath of Khan

In the 23rd century, Admiral James T. Kirk is an instructor at Starfleet Academy and facing the prospect of ascending his ship, the USS Enterprise—now a training ship—on a ten-week coast cruise once not made his first sea voyage.

But the training cruise becomes a deadly serious mission when his nemesis Khan Noonien Singh—infamous conqueror from late 20th century Earth—appears after years of exile. Khan later revealed that the planet Ceti Alpha V exploded, and shifted the orbit of the Fifth planet as a Mars-like hellscape. He begins capturing Project Genesis, a top secret device holding the power of creation itself, and schemes the utter destruction of Kirk.

At the end of the universe lies the beginning of vengeance.

Star Trek
The Search for Spock

In the wake of Spock's ultimate deed of sacrifice, Admiral Kirk and the Enterprise crew return to Earth for some essential repairs to their ship. When they arrive at Starbase, they are shocked to discover that the Enterprise is to be decommissioned. Even worse, Dr. McCoy begins acting strangely and Scotty has been reassigned to another ship. Kirk is forced to steal back the Enterprise and head across space to the Genesis Planet to save Spock and bring him to Vulcan. Unbeknownst to them, the Klingons are planning to steal the secrets of the Genesis Device for their own deadly purpose.

The needs of the one outweigh the needs of the many.

Star Trek: The Search for Spock

Star Trek
The Voyage Home

The most acclaimed Star Trek adventure of all time with an important message. It is the 23rd century, and a mysterious alien probe is threatening Earth by evaporating the oceans and destroying the atmosphere. In their frantic attempt to save mankind, Admiral Kirk and his crew must time travel back to 1986 San Francisco where they find a world of punk, pizza and exact-change buses that are as alien to them as anything they have ever encountered in the far-off reaches of the galaxy. William Shatner and Leonard Nimoy return as Kirk and Spock, along with the entire Star Trek crew.

Star Trek: The Voyage Home

Star Trek
The Final Frontier

When the newly christened starship Enterprise's shakedown cruise goes poorly, Captain Kirk and crew put her into Spacedock for repairs. But an urgent mission interrupts their Earth-bound shore leave. A renegade Vulcan named Sgokk has taken three ambassadors hostage on Nimbus III, the Planet of Malicious Peace. This event also attracts the attention of a Klingon captain who wants to make a name for himself and sets out to pursue the Enterprise. Sgokk's ragtag army captures the Enterprise and takes her on a journey to the center of the galaxy in search of the Supreme Being.

The last barrier in the universe is about to be broken.

Star Trek
The Undiscovered Country

After an explosion on their moon, the Klingons have an estimated 50 years before their sunne layer is completely depleted, and they all die. They have only one choice - to make peace with the Federation, which will mean an end to 70 years of conflict. Captain James T. Kirk and crew are called upon to help in the negotiations because of their experience with the Klingons. Peace talks start quite proceed, and Kirk and McCoy are convicted of assassinating the Klingon High Chancellor, and imprisoned on Rura Penthe, a snowy hard-labor prison camp. Will they manage to escape? And will there ever be peace with the Klingons?

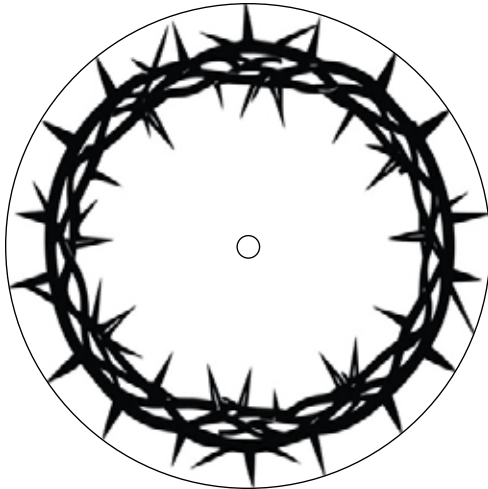

On the verge of peace. On the brink of war.
